Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on April 6, 2007 has been entered.

Information Disclosure Statement

The information disclosure statement filed April 6, 2007 fails to comply with 37 CFR 1.98(a)(2), which requires a legible copy of each cited foreign patent document; each non-patent literature publication or that portion which caused it to be listed; and all other information or that portion which caused it to be listed. It has been placed in the application file, but the information referred to therein has not been considered.

All lined through U.S. references had been previously made of record. The lined through foreign references have not been provided to the office for consideration.

Response to Amendment

The amendments filed on April 6, 2007 have been entered into the record.

Allowable Subject Matter

Claims 1-29 are allowed as previously indicated.

As allowable subject matter has been indicated, applicant's reply must either comply with all formal requirements or specifically traverse each requirement not complied with. See 37 CFR 1.111(b) and MPEP § 707.07(a).

This application is in condition for allowance except for the following formal matters:

The Foreign references cited on the IDS filed on April 6, 2007 must be submitted on a new Ids as well as the Foreign search report citing their relevance to the instant application. In remarks filed on April 6, 2007 applicants representative has stated that they believe the claims are allowable over the Foreign art. If the examiner finds this to be true a notice of allowance will be issued, if not the application will be reopened and an appropriate rejection will be made based on the foreign references as deemed proper.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
